

**VILLAGE OF WOODRIDGE**

**75<sup>TH</sup> STREET WATER MAIN REPLACEMENT PROJECT**

**BID #2022-14**

**ADDENDUM #1**

DATE: June 16, 2022

TO: Prospective Offerors

SUBJECT: Addendum #1

This addendum forms a part of the bid and contract documents associated with the above referenced project and modifies the original document previously distributed. The deadline for submittals is unchanged.

- 
1. **Question:** With the current lead time of Ductile Iron Pipe being approximately 44 weeks, is it the Village's intention to perform this project in 2023?

**Answer:** Bidders are to provide the information requested on page 97 "MATERIAL SUPPLIERS / MATERIAL DELIVER TIME".

Bid Proposals received from Bidders that do not expect to meet the anticipated award schedule and specified Contract Time requirements will be considered conditional Bid Proposals.

The Village does not waive any of the Village's rights with regards to the review of and potential rejection of conditional Bid Proposals received. The Village reserves its rights, in its sole discretion, to determine whether conditional Bid Proposals will be reviewed or rejected, and to determine whether acceptance of a conditional Bid Proposal is in the best interest of the Village.

**Bidders are to add and complete the last page of this Addendum with the heading EXCEPTIONS AND DEVIATIONS to the Bid Proposal.** If the materials required for the project are unavailable to reasonably complete the project within the specified Contract Time, it is possible that the project may end up being constructed in 2023. The prospective Bidder should clearly identify in his/her Bid Proposal any and all specific exceptions and deviations which apply to his/her proposal on this form which is to accompany Bid Proposals.

2. **Question:** 90 calendar days to complete this project from the notice to proceed is very unrealistic or will this be changed?

**Answer:** Change the Contract Time from 90 calendar days to 120 calendar days.

**I hereby acknowledge receipt of Addendum #1  
75<sup>th</sup> Street Water Main Replacement Project  
Bid #2022-14**

**Name and Title:** *(Please Print)* \_\_\_\_\_
